WORDS FROM THE BOARD

Changes to the Lumen Press

In the coming months you will be seeing some changes to the Lumen Press. The primary visual change will be an adjustment to the page layout.

The other major change will be in the distribution of the paper. We are going to a fully electronic distribution. If you have been receiving the link via e-mail each month, that will continue, nothing is necessary on your end.

If you do not receive the e-mail link, you must do one of two things.

- 1) *Preferred*—Send me your e-mail address (Adam Kilbourne abkilbourne@tecinc1.com). This address will not be sold. You will not receive loads of messages from me or other associated organizations. Once per month you will receive an e-mail with the link to the latest copy of the Lumen Press. Occasionally you may receive an additional e-mail with a program reminder, a schedule change or a special announcement. If your e-mail address changes, it is your responsibility to inform me.
- 2) If you do not have a computer, or some form of e-mail / internet access, but would still like to receive the Lumen Press, you must call and inform me (Adam Kilbourne 440-953-8760).

If you have any questions about this change, please contact Adam Kilbourne or one of the Officers.

Thank you for your cooperation.

4 Packs

This year the Cleveland Section is going to try something new. You will have the opportunity to purchase a 4-pack of admissions to the section programs. Paying for four programs in advance you will receive a discount of 20% off of the current fee of \$25 for a typical monthly program. The program admissions are transferable among people in your office. 4-packs are not available for special programs—webcasts, holiday socials, golf, etc. You must RSVP for the programs, the same as you would normally – just mention that you are using a 4-Pack admission.

Contact Wendy Turkuc for more information.
