Golf!

Your calendar should be marked for June 10th, 2005 at Pine Ridge Country Club for the 26th Annual IESNA Cleveland Section Golf Event.

The Golf Event provides funds for the Section's Education and Scholarship fund. This year we were able to provide a \$1500 scholarship to a local high school graduate who will major in science. We also supplemented Section programs organized for our local members.

Soon we will begin soliciting for sponsors for the Golf Event. More details will be provided in future issues of the Lumen Press. Please begin thinking about your foursome for this year's event. We look forward to breaking last year's record attendance.

Start recruiting your foursomes!!!
