Our appreciation is piling up!!!!

October - We would like to thank everyone for attending our October clam bake - it was the second great turnout of the year. Our appreciation goes out to Brian Daley of Lutron Electronics for his talk on lighting controls, ASHRAE 90.1 and LEED design, and to Lighting & Controls for their support of this program. Once again, the food was fantastic and the clams were steamin'. Bob Doherty made the arrangements - super job Mr. D! Two great outings - dare we expect three in a row?

November - The Society held the first web cast of the year on the 2004 update of ASHRAE 90.1. The turnout was excellent for this program as well! Thanks to Alfredo Lopez for making the arrangements and to Terry Kilbourne for setting up the electronics. (Yes, the air was full of apprehension until that one button was pressed that allowed us to actually hear the presenters!) Speaking of the presenters, they were Michael Lane and Eric Richman, who were part of the committee which revised the standard. As we've stated before, these web casts allow us to hear from true lighting experts throughout the country. They are well worth the price of admission!

We hope to see all of you at our holiday social next month. Happy holidays to all!

The Cleveland Section of IESNA

3

WORDS FROM THE BOARD

Editorial Corrections

I would like to offer an apology to Lighting Dynamics and Lighting & Controls, for the lack of recognition on the front page of the previous Lumen Presses. These companies sponsored the September and October programs, respectively. They brought in the guest speakers and worked really hard to increase the attendance at the programs. The effort payed off, with more than 40 people at each program.

Thank you....

Next Board of Managers Meeting

Wednesday, December 1st, 2004
Wednesday, January 5th, 2005
11:30-1:00pm

TEC, Inc.

Eastlake, Ohio 44095
440-953-8760

Lighting Dynamics (September 2004)

Lighting & Controls (October 2004)

Please Note: Wendy Turkuc at Karpinski Engineering is the new treasurer. All payments for programs should be sent to her. Thank you.

SECTION NEWS ...Continued from Page 2

IIDA Awards

The International Illumination Design Awards program of the IESNA provides a unique opportunity for public recognition of professionalism, ingenuity, and originality in lighting design based upon the individual merit of each entry judged against specific criteria.

The IIDA Award Section Level DEADLINE is January 10th, 2005.

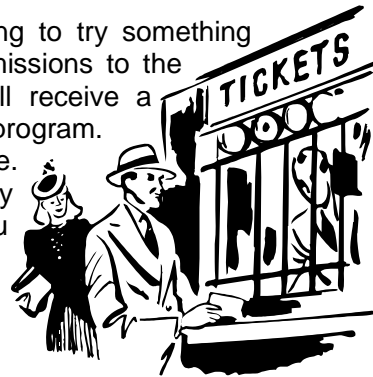

Entry Rules, Nomination form, FAQ's, tips for improving your photos and text can be found in the October issue of LD+A and on the IESNA website at:

<http://www.iesna.org/PDF/Awards/IIDA/2005form.pdf>

4 Packs

This year the Cleveland Section is going to try something new. You will have the opportunity to purchase a 4-pack of admissions to the section programs. Paying for four programs in advance you will receive a discount of 20% off of the current fee of \$25 for a typical monthly program. The program admissions are transferable among people in your office. 4-packs are not available for special programs—webcasts, holiday socials, golf, etc. You must RSVP for the programs, the same as you would normally – just mention that you are using a 4-Pack admission.

Contact Wendy Turkuc for more information.
216-391-3700 or wturkuc@karpinskieng.com

Due to construction on Euclid Ave, Board of Manager meetings will not be held at Karpinski Engineering. Locations will be announced. The September BOM Meeting will be at TEC, Inc. in Eastlake.
