Thank You

What a fantastic turnout we had for the first meeting of the year. Thanks to Viebke Morgensen of Louis Poulsen and her presentation "Language of Light". About 50 people attended this meeting! Lighting Dynamics has set the bar quite high for the remaining Agency Programs. Thanks to everyone at Lighting Dynamics for their support to our section. Thanks also to Dyke Riffle who assisted Lighting Dynamics as our Individual Program Chair who made the facility arrangements for this meeting. This certainly was our most successful meeting in years. We hope to see more of the same at upcoming meetings! Next, clams anyone?????????

ED-150 Postponed until Spring 2005

The ED-150 has been postponed until Spring 2005. New dates will be provided later in the year. The Cleveland Section would like to apologize for any inconvenience this may have caused.

ED-150 is the brand new IESNA intermediate lighting course. ED-150 is being taught by some of the brightest minds in the Lighting Community. Many are Lighting Certified (LC) by NCQLP. This course can be used as a refresher for those sitting for future Lighting Certification exams.

For information about the class call **Karen Harrison**,
IESNA Education Committee Chair at
216-225-6411, 216-228-9683 or

WORDS FROM THE BOARD

IIDA Awards

The International Illumination Design Awards program of the IESNA provides a unique opportunity for public recognition of professionalism, ingenuity, and originality in lighting design based upon the individual merit of each entry judged against specific criteria.

The IIDA Award Section Level deadline is January 10th, 2005.

Entry Rules, Nomination form, FAQ's, tips for improving your photos and text can be found in the October issue of LD+A and on the IESNA website at:

<http://www.iesna.org/PDF/Awards/IIDA/2005form.pdf>

Note: This year the Cleveland Section is requiring an set of slides or an electronic version in addition to the original set of slides. The Section Awards Presentation will focus on the local submissions. One set will go to judging, and one set will stay with the IIDA Chair.

Big & Green: Toward Sustainable Architecture in the 21st Century

This exhibit is currently on display at The Western Reserve Historical Society, don't miss it!

October 9 – March 6

This exhibition addresses one of the more critical issues now facing many cities worldwide: the need to create large-scale development that is energy efficient, helpful for inhabitants, and economically viable. At the outset of the 21st century, the goal of creating environmentally sustainable architecture has never seemed more important or more urgent. This exhibit explores how skyscrapers and other mega-structures are being re-imagined to consume less energy and utilize renewable materials and resources. It is supported by The George Gund Foundation, and presented in partnership with the Cleveland Chapter of the American Institute of Architects.

Please Note: Wendy Turkuc at Karpinski Engineering is the new treasurer. All payments for programs should be sent to her. Thank you.

Due to construction on Euclid Ave, Board of Manager meetings will not be held at Karpinski Engineering. Locations will be announced. The September BOM Meeting will be at TEC, Inc. in Eastlake.

4 Packs

This year the Cleveland Section is going to try something new. You will have the opportunity to purchase a 4pack of admissions to the section programs. Paying for four programs in advance you will receive a discount of 20% off of the current fee of \$25 for a typical monthly program. The program admissions are transferable among people in your office. 4-packs are not available for special programs—webcasts, holiday socials, golf, etc. You must RSVP for the programs, the same as you would normally – just mention that you are using a 4-Pack admission.

Contact Wendy Turkuc for more information.
