President's Report

Lighting Control and Commissioning is becoming an important topic for lighting designers, contractors and factory representatives. As legislation changes, so does the requirements for lighting controls and commissioning. Join us on Tuesday December 6 for a lunch time program as Andy Albrecht of GE Lighting presents "Lighting Controls and Commissioning with a Dash of Lighting Legislation" sponsored by Myriad Lighting Solutions.

We would like to thank Chip Israel and the IES Road Show for allowing us to be a part of the IES District Road Show Schedule for our November Program. Chip's presentation was very well received. The IES Handbook donated by the IES Road Show was won by Gina Lowers of Eye Lighting. The IES Cleveland Section purchased an additional IES Handbook that was donated to the Kent State University Interior Design Department.

The Officers and Board of Managers would like to wish you and your family a very Happy Holiday Season and a Happy New Year.

Richard Rutledge
