President's Report

On Friday May 31, 2013 is the IES Cleveland Section Golf Outing. The outing is used to fund the Cleveland Technical Society Student Scholarship each year and your local Cleveland Section. Now is the time to sign up with Kristen and get your reservations in for your foursomes and/or take advantage of one of the sponsorship opportunities outlined on [page 1](#) of the May Lumen Press. So, dust off the cobwebs and chase the spiders out of your bags and get ready for a fun-filled day at the golf course.

On the last page of the Lumen Press is the contact information for your newly elected Officers and Board of Managers. Kristen will be your new President for 2013–2015 Season starting in July. Kristen has been your Vice President and is the most logical choice to continue to bring the Section great educational programs and to take the Section to the next level. Mike Evert will replace Kristen as your new Vice President. Wendy will be stepping down this year after nine years of excellent service as your Treasurer and will be replaced by Mike Confer. Mike has been a long standing member of IES and has served as Treasurer for other non-profit organizations in the past. Henry will remain as the Section Secretary where he has done an outstanding job over the last few years. So, the future looks very bright for the Cleveland Section of IES.

As this is my last program as your local IES Cleveland Section President, I would like to thank the Officers and Board of Managers for their support and hard work over the past four years. We have gone through a few rough storms, but attendance is up at our local programs, program attendees receive licensure credit the day of or day after a program, we have suggestions coming in for future programs, membership is growing and we have made a few of our programs available to Kent and Akron University students. Also, the educational program topics and presenters have been great. I would also like to thank our sponsors for maintaining their sponsorship during tough economic times and for helping keep the quality of programs our members have come to expect. Most of all, I would like to thank the local Cleveland Section Members for your support, for it would not be a Section without your attendance and support.

Richard Rutledge

IES Cleveland Section President
