IES Cleveland Section's Annual Light Walk!

The Holiday Season is upon us once again, bringing a time to celebrate with family and friends, and the IES Cleveland Section's Annual Light Walk! I hope that you will be able to join us on the evening of Tuesday, December 16 at 5:30 p.m. for our Playhouse Square Tour and Reception.

This year's event was put together by Paul Vincent with the help of program coordinators at Playhouse Square. We will be treated to an insider's view of the recent renovations of the theatres and surrounding streetscape. I hope that you can join us for a fun tour, followed by a casual reception with fellow members of the section and a few prizes too!

The Electrical League of Ohio's Electro Expo will be held March 10–12, 2015 at The Cleveland Convention Center. Admission is free, and so are many of the continuing education programs offered during the event. For more information [visit the official webpage](#) for the event.

Our 2015 programming is coming together, but we still have a few slots available to fill. If you know of a good speaker or would like to sponsor a program, please let me know, Kristen.mallardi@acuitybrands.com or Mike Evert, our Program Chair know: emjevert@aol.com.

Our next board of managers meeting will be held on December 12 at noon. These meetings are open to all of our members. If you would like to get involved, please let Henry Barker know: hbarker@karpinskieng.com, and he will add you to the call-in invitation.

Happy Holidays,

Kristen Mallardi
President, IES Cleveland Section

GE Lighting Lumination™ LED Luminaires *Downlights*

GE Lumination DI Series LED Downlights open up a whole new world of lighting options for Retail, Office and Hospitality applications. These fixtures bring all the benefits of advanced GE LED engineering to the downlight platform. Excellent 90 +CRI color rendering and high R9 makes merchandise colors pop, while super long 50,000-hour life, reduced energy & maintenance deliver huge savings. Available in 4" and 6" round and square shapes, these new fixtures can be scaled with your changing environments.

Convert any commercial or industrial downlight to LED with the Lumination RI Series retrofit LED downlight. Powered by the Infusion LED downlight module, the RI series delivers exceptional efficacy and 90+ CRI across all lumen packages and color temperatures. Custom engineered, spec-grade optical system provides a 45° cutoff and no glare. Tool-free installation from below the ceiling in just minutes. 50,000 hour life virtually eliminates maintenance costs. Output up to 3460 lumens is ideal for high-ceiling applications.
