President's Report

Welcome back!

Thank you to everyone who worked to make the September program a huge success! Dave Kinkaid and Karen Harrison coordinated the students from Kent State and Mark Duffy of GE helped to secure our speaker. In her presentation, Mariana discussed a tool called The Circadian Stimulus Calculator. Follow the link below to access the calculator:

http://www.lrc.rpi.edu/resources/CircadianStimulusCalculator_May2015.xlsx

The IES Annual Conference will be held in Indianapolis November 8–10. Our section has some funding available for a local EP (Emerging Professional) to attend the conference. If you would like to nominate an EP, or you are an EP and you want to apply for this funding, please send a short letter about your qualifications as an EP, and why you would like to attend to our VP Tony Clark at t.clark@fowlermep.com by October 20. One scholarship will be awarded.

Programming for the 2015–16 program year is well underway. If you would like to sponsor an event, or have a topic that you would like to see addressed, please contact Amanda afoust@tcpi.com or myself Kristen.mallardi@acuitybrands.com.

Our next board of managers meeting will be held on October 20 before the clambake. These meetings are open to all of our members. If you would like to get involved, please let Henry Barker know, hbarker@karpinskieng.com, and he will add you to the meeting invitation.

Best regards,

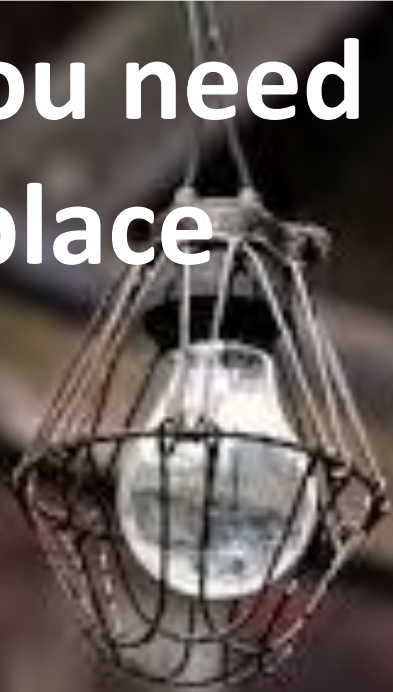

Kristen Mallardi

President, IES Cleveland Section
